CODE ENFORCER'S REPORT TO TOWN COUNCIL November 3, 2016

Since October 20, 2016:

Weeds are still a problem, but there has been some improvement.

I had another dog complaint which I forwarded to the town prosecutor.

I'm still working on nuisance complaints for junk on properties.

People should contact the town office before putting up any buildings, fences or animal runs, or before moving trailers and other items on to properties, to make sure they are in compliance with all ordinances or check land use codes on our website.

If anyone has a complaint regarding a town ordinance violation please come into the town office and fill out a complaint form.

Thank you,
April Ruesch

EMERGENCY MANAGEMENT REPORT November 3, 2016

I attended EAS meeting in St. George at the county building on the 21st.

I plan to attend the WCCCC and LEPC on November 10th at DXATC.

The free Pipeline Safety Dinner & Training is on Mon. Jan. 9, 2017 at 5pm, for all emergency responders and public officials.

UEMA Conference will be January 11 & 12, probably in West Jordan and I think a State CCC meeting the day before. I need to know if I am permitted to go, so I can make reservations.

(IMPORTANT Reminder all town officials, workers and firemen are required to take NIMS courses, at least the ICS100 & 700). It is also recommended that town officials take ICS-G402. Firemen especially should complete more ICS courses online and when they become available to be eligible for grants and to be prepared for emergency incidents. We need your cooperation. The more people trained, the better prepared we will be. Outside help will not always be available and able to get to us. (If you need assistance let me know. THIS will need to be done for future FEMA grants.)

Thank you,
April Ruesch
